Reading Comprehension Strategy: What's the BIG IDEA?

Day 4 – Reading Comprehension Strategy: What's the Big Idea?

SIM™ Fundamentals of Paraphrasing and Summarizing Strategy:

One way that good readers make sure they understand and remember what they read is to paraphrase it or summarize it. In order to put information into their own words or summarize it, they distill it down to its most important points. This program helps students do just that. They learn to identify the topic, main ideas, and details of a passage, and they learn to translate them into their own words.

SIM™ Paraphrasing Strategy:

This strategy helps students utilize the skills they learned in the Fundamentals of Paraphrasing and Summarizing Strategy. Materials include leveled passages to be used for practice activities.
